

# SMS PRESENCE MOBILE

## Attractive from all sides.

An ergonomic and flexible product that is easy to move and easy to install. Attractive and elegant on all sides, and thus able to be placed in the centre of the room. Perfect for large, heavy displays and touch-sensitive displays, due to the very stable, patented design. The display can be locked with a padlock or the accompanying locking pin, which provides increased protection from theft and personal safety. The pre-factory assembly means that installation is easy and quick. Design protected. Maximum display weight: 120 kg. Finish: Aluminium/anthracite grey.

## QUESTIONS AND ANSWERS

**How do I gain access to the cables and equipment inside the product?**

- Removable magnetic covers on both the front and the back of the product make it easy to gain access to cables and other media equipment.

**Is it difficult to move the bracket with a display mounted on it?**

- It's easy. You can move the equipment easily and safely from one room to another with the aid of a handle.
